Stackable Display Cube

500 x 500mm

Flat Size: 2064 x 510mm

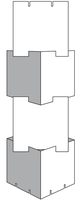
Place your design within **'Artwork' layer** and **delete 'Guide' layer** once finished.
Failure to remove guide layer will result in template printing over artwork design.

Please ensure:
- Colour: CMYK (RGB will be converted)
- Fonts: Embeded or converted to outlines
- Image Resolution: 300dpi or higher
- Crop marks and 3mm bleed are included
- Accepted format: PDF (one file)

Please upload **one PDF** including two copies of artwork - **one with cutter guide visible and one without**.

Finished Size - This is the finished size of the product once cut.

Safe Area - We recommend keeping text and images out of the grey area, remaining in white box.

3mm Bleed - Please extend your artwork into the bleed if you are using full colour or imagery in the background. Anything within this area will be removed once cut.


Crease - These lines will be creased to create folds. For best results do not place small text across these lines.
